I am completing my Bachelor of Science in Computer Science and Engineering (C.S.E.) at Shahjalal University of Science and Technology (SUST). After finishing my Higher Secondary's of Science from Notre Dame College, Dhaka, I got myself admitted there. As a Computer Science Student, I love Developing and Programming. I am currently working with JavaFX Based desktop software development. I am also good at HTML, CSS. I learned C, C ++, and Java as my programming languages and have some beginner Python Programming Language Knowledge. I want to continue my higher studies after my B.Sc. and want to be a software Engineer as well.
